

K9 Slim Scent Specific Trailing Scholarship

K9 Slim was a dual-purpose patrol dog handled by City of Madison Police Officer Carren Corcoran Gummin from 2010-2020. K9 Slim excelled at scent specific trailing in large part due to his initial training in the Kocher Method and Carren even attempting “the difficult tracks” asked of them. K9 Slim passed away on December 27, 2022 at 14 years of age. He had a profound effect on all that worked with him. K9 Slim opened minds and demonstrated the limitlessness of a well-trained dog and a handler who would work outside the box when needed.

This scholarship will provide a Dual Purpose Patrol Dog Team free attendance (valued at \$400) at a Basic Scent Specific Tracking Class instructed by Canine Search Solutions in the year 2023. Complete the application and either send directly to Carren Corcoran Gummin at coren0120@gmail.com or mail to 7965 Goldfield Road, Pound WI 54161. The scholarship recipient will be selected by April 1, 2023.

NAME _____

K9 NAME _____ **BREED** _____

AGE OF K9 _____ **COUNTRY IMPORTED FROM** _____

VENDOR K9 Purchase FROM _____

POLICE AGENCY _____

HOW LONG HAVE YOU AND YOUR K9 WORKED TOGETHER _____
